The owners were very professional and easy to contact as were the management company. The house is exactly as described and is very well looked after with all mod-cons provided. The new pool area and clubhouse are lovely and staff were very friendly. Pool towels are available from main reception area (very useful), nice gym on site also there is a small shop on site open 'til midnight. Location fantastic, 15 min drive to parks, shopping, old town walking distance as are some restaurants. Deposit returned promptly - thank you. We would have no hesitation returning to Camaro Drive again or recommending to family and friends. Hot tub lovely at the end of your day, we will be back.

Recently returned back home from a two week stay in town near Disney. Had a great time the house was great, booking process was great the owners were excellent to deal with, the house was immaculately presented on arrival, new club house and pool not long completed are very nice also.

Location is right beside Old Town Kissimmee which has a good buzz about it at night. Disney is a short drive up the i4 as is universal an extra 15 mins or so. All in all had a great two weeks in a great house and resort and definitely stay again in this town house.

We rented the townhouse for our family trip to Florida for Spring Break 2015. We were travelling with a family of 6 and a baby and there was plenty of room for our whole party! The house is well represented in the advertisement and everything that we needed was there, including use of 3 strollers, a high chair, baby gates and a pack and play! That was a huge bonus so we didn't have to travel with all of the baby gear. The resort is beautiful and has a remodelled pool and clubhouse that were wonderful to use. The kids loved the slide and everyone who worked at the resort was helpful and friendly. The home has all of the dishes and accessories that you may need while on vacation but I would suggest bringing extra wash clothes, towels and any paper and plastic products you may need (i.e. garbage bags, toilet

paper, etc). The location is wonderful and is centrally located to the parks and Celebration, FL and there are many stores and restaurants all around. I cannot wait to book this home for our next vacation! Thank you again!

I really enjoyed the home. It was a perfect size for our family. I have already recommended your home to several families that will be heading to WDW this year and I'm sure we'll be checking your home for future stays!

This was our second stay, and again, your home provided a perfect launching pad for a wonderful Disney filled vacation. The location is just perfect and everything necessary is provided in the house. I am sure we will be back for a third visit!
Nigel, York, UK (August 2014 rated 10/10)

From start to finish Peter was top class. He provided us with everything we needed going above and beyond what we expected. The house is beautiful and ideally located. You couldn't ask for much else!! This was my fourth trip to Orlando and my first time in a villa. I would find it hard to go back to a hotel, and can honestly say that Peter will be my first port of call when we book out next trip. Thank you for your help Peter, we look forward to coming back sooner rather than later!!
Dan, Sheffield, UK (August 2014 rated 10/10)

The townhouse is awesome! The location can't be beat; it's close to everything. Hot tub is very useful after a long day on your feet. Security was always patrolling the area, giving the community a safe feel. I can't wait to return to the townhouse near Disney!
Angela, Hollywood FL, USA (July 2014 rated 10/10)

Thank you for letting us stay in your beautiful and well equipped home in Kissimmee. We had a wonderful stay and it certainly is home from home with every amenity provided. If I ever go to Florida again I would certainly book your home for my stay. We actually went to attend my son's wedding and a few of the other guests dropped in to see us and they were all impressed.

From booking in Brazil by mail and making the payments, the owners were always very attentive. The house is wonderful and safe! We spent great moments of our family vacations here. We were greeted with a clean, spacious and cool home with all things in place. Will definitely come more often and will indicate this house to anyone who wants comfort and tranquility.

Silvio, Brazil (April 2014 rated 10/10)

We were very pleased when we arrived at our vacation home. It was just as the pictures showed. It was clean, inviting, and had plenty of room for the 5 of us. It was quiet at night. The hot tub was used every night. You could always see security driving around. It was close to all the theme parks we went to and only an hour away from the ocean. I would use this property again on our next trip to Florida. Peter always was fast with replies to our concerns.

Would definitely recommend to friends and family.

Geri, Rice, USA (February 2014 rated 10/10)

The house was wonderful. Everything was very clean and exactly as described by the owners. We had plenty of room for five people. The kitchen was stocked nicely with any type of item needed for cooking. The house is located close to all theme parks. The hot tub was a nice treat after a long day of walking. There was always security present in the neighborhood which made our family feel safe. All the neighbors were so quiet that we didn't even know anybody else was around. Peter always answered my emails in a timely matter and made sure that our vacation was a success. We will definitely recommend this rental to others and will probably use again in the future.

Jodi, Fort Ripley, USA (February 2014 rated 10/10)

This condo is exactly how it was described. Great location just off I4. Walking distance to restaurants, bars, shops and family entertainment. If you are looking for the perfect place to stay this is it. You will not be disappointed.

Gary, Madison, USA (February 2014 rated 10/10)

I have booked multiple houses in the Orlando area in the past and this was the nicest by far.

Everything is upgraded and this unit feels like you are staying in someone's personal residence as opposed to a house that is primarily for rent. The beds and bedding are top notch! This is important as I was able to sleep comfortably as if I were home. The kitchen had everything we needed to prepare a couple breakfasts. The location is perfect! It's the closest

Brian, Odenton, USA (January 2014 rated 10/10)

The townhouse is in a great location. It is a good size and very well equipped and includes ceiling fans, free wifi, hot tub, fully equipped kitchen, three bathrooms and ample parking. It is very clean and welcoming. Correspondence with the owners was excellent at all times and I would recommend this townhouse to anyone looking to stay in Orlando.

Drew, Romsley, UK (December 2013 rated 10/10)

Great vacation home in perfect location. This townhouse had everything we needed for our stay and made us feel like we were at home. Loved the convenience of the upgraded 2nd floor washer and dryer. If outside during the evening, you can hear noise from Old Town (we went around Christmas time so xmas music was playing mostly), but once inside you cannot hear it. Security on-site every day. Was fantastic having free Wi-Fi and satellite TV available.

Loved our stay and would highly recommend this rental.

Lane, Shoreview, USA (December 2013 rated 10/10)

I stayed at this townhouse for the second time Oct 2013, it's a fabulous house with great facilities. It's situated right behind Old Town so it's very easy to walk there for the car cruise nights. Once the door is closed though you can't hear the noise from Old Town at all. The owners are fantastic to deal with, all questions answered within a few hours. The management company are excellent too. The house is lovely and clean and well maintained. I had my security deposit refunded by the time I arrived home from the airport and an email thanking me for taking good care of their home. I would have no hesitation in booking this house again when we travel in a small group. Thank you Peter for letting us stay in your home.

Alfonso, Miami, USA (August 2013 rated 10/10)

We picked Regal Oaks because it is within easy walking distance of amenities and found the location suited our needs perfectly. Not only is the Old Town on the doorstep, with the not-to-be-missed car cruises, there is also Fun Spot, Pirate Golf and plenty of choice of bars and

restaurants. We picked this particular property because it offered the best amenities on site, including hot tub, wi-fi and ceiling fans which not all other houses do. We were not disappointed with our choice. The house is just as described. Spotlessly clean on arrival and very comfortable. The owner was very easy to deal with and responded promptly to our enquiries. The pool area was closed while we were there and is currently being redeveloped.

We knew this when we booked and were given a discount to compensate. We needed to contact the management company a couple of times and found them friendly, helpful and quick to respond to our requests. Although close to the Old Town and ongoing building works, both are far enough away so there are no problems with noise. The complex is not gated yet, though this is being done as part of the current redevelopments. Security could be seen patrolling the site regularly. Overall, I would recommend this property to others and would happily stay here again.

Carol, Donaghadee, N Ireland (July 2013 rated 5/5)

Everything was wonderful. Can't say anything bad about our experience while we were there. The security was on point every night we returned from a long day at the theme parks. I give this home away from home AAAAAAAAAAAAAAAAAAAAAA+++++. My family and I really enjoyed your home, very comfortable and warming. We will visit again. Already tried to book for Christmas but I see you are already full.

Karen, Augusta, USA (July 2013 rated 10/10)

After a long journey, it was very pleasing to arrive at a property that looked just like the adverts. The overall condition of the property was excellent and the furnishing very comfortable and clean. We would recommend this property for a holiday to our family and friends. Furthermore, it was an excellent location, easy to find and in a lovely area.

Chris, Worthing, UK (November 2012 rated 9½/10)

A great place to stay for your visit. Clean, well maintained, safe complex with a lovely house. Pool is incredible, large and clean. Location is perfect, tucked just off 192, 10 minutes away from the Disney's and easy 20 minutes from Universal's. I would recommend this house to anyone – and will be staying here again.

Nicole, York, UK (September 2012 rated 10/10)

We stayed at "Townhouse near Disney" on Regal Oaks in July 2012. We were a family of 4 adults and 2 children. The house suited us because of the two double ensuite rooms and the additional twin room downstairs. We were also pleased to be located so near to "Old Town"

and the 192. From the house you can be in Disney in less than 15 minutes. The home provides everything needed to have a great holiday and having a hot tub is the icing on the cake. Communication from the owner is always prompt and helpful. I would have no problems recommending this home to anyone and hope to stay there again soon.

Toni, Witley, UK (July 2012 rated 10/10)

We stayed at this home in Regal Oaks for 10 weeks, from 30 January to 10 April, 2012. The booking procedures were easy and straightforward and the house was as good as we had expected. Regal Oaks is well maintained, clean and quiet with 24 hour security. The location is excellent for shopping, eating and drinking, within walking distance of Old Town. In fact, we did not have a car during our stay, preferring to walk or use the local bus. The pool area is excellent and again very well maintained. We would definitely return to this home for another stay.

Albie & Heather, Great Yarmouth, UK (April 2012 rated 9/10)

We travel to Florida once or twice a year and have stayed at different resorts and we are so happy that we found townhouse-near-disney, Regal Oaks for it really beats all the other places we have stayed before. The townhouse had plenty of space, well kept, beautiful, everything was nearby. Bedrooms were big, had plenty of closet space, private bathrooms. Loved the master suite with its private bathroom and balcony and large closet and TV and ceiling fan. We will definitely stay here again and let our friends and family know.

Jose and Gladys, Rochester, USA (January 2012 rated 10/10)

Great location – all the facilities were just as described on the website. Everything in the townhouse was clean and very comfortable. All the guides and instructions for the equipment and procedures were very easy to follow. All of this made our holiday very enjoyable and our deposit was returned very quickly. We would certainly recommend this holiday home to all our friends and family and look forward to staying there again. Many thanks.

We particularly appreciated the proximity to the theme parks. We would definitely stay here again.

Randa, Belair, Canada (October 2011 rated 10/10)

Amazing hospitality. We stayed here over Labor day weekend and had a fabulous time. Peter and family made every effort to ensure that everything was prepared upon our arrival. When they found out that we were traveling with a small child, they ordered a baby gate that was delivered prior to our arrival. Quiet neighborhood, great pool, wonderful location, and amazing hospitality. Thanks for a great stay!

Aleksander and Lynette, Fort Myers, USA (September 2011 rated 4/5)

The location and appearance of the house were both fantastic. This contributed to a wonderful and comfortable holiday. The service provided before departing was outstanding and ensured a hassle free holiday

Charlotte, Stourbridge, UK (July 2011 rated 10/10)

We really enjoyed our stay at Regal Oaks. The location was really good, close to lots of local amenities and the theme parks. The house and resort were very clean and well organised with everything in the house that we needed. There were lots of walkable restaurants to go to in the evenings and even though the house was right next to the "Old Town" it was still really quiet and felt safe and secure. We would definitely recommend the house and resort to others, particularly to family groups with children or teenagers.

Ros, Southport, UK (August 2011 rated 9/10)

A lovely home to stay in. Well furnished and very comfortable. Had everything we needed to enjoy breakfast and the occasional home cooked evening meal. I was even able to bake a cake to celebrate my daughter's birthday. It was lovely to be able to relax some evenings in a home setting. My daughters loved the ipod docking station and we all enjoyed looking at our photographs thanks to the SD card slot on the enormous TV. The location couldn't be better as we could stroll to Old Town for the cruise night and an ice cream. Excellent. So close to Disney too! The pool and surrounding lake was lovely even though it was a disappointment that the slide was not operational due to there being no lifeguard. We spent some time just

I and my family are so glad we found your lovely home for our holiday accommodation and wouldn't hesitate to recommend it to others or to stay in it again ourselves. Thank you for making our holiday a special one and thank you for your attention to detail and personal service.

Alan & Karen, Shoeburyness, UK (July/August 2011 rated 9.5/10)

Our second visit to Townhouse near Disney. It's in a great location, handy for Old Town and within walking distance of restaurants, bars and Publix Supermarket and Walgreens (open 24 hours). The house was spotlessly clean, nicely furnished and in a quiet street. The pool was very nice, we had it to ourselves a couple of times. This is a great base for visiting the theme parks and not too far away from the Space Coast. Wi-fi is a welcome addition, as is the new TV. All queries to the owners were dealt with promptly and our deposit returned swiftly.

Diane, Bristol, UK (April 2011 rated 9.5/10)

Staying in this townhouse at Regal Oaks made our holiday a very pleasurable stay. The townhouse is well equipped and maintained to a very high standard. The location offers easy access to the Disney and Universal theme parks. The pool area is well kept and is cleaned on a daily basis. This is a great area to relax on your days away from the theme parks. The townhouse is located near to many bars, restaurants and shops all within a short walking distance. My family and I had a great time and will definitely book this accommodation again when we return to Orlando.

Andy, Stourbridge, UK (October 2010 rated 10/10)

Townhouse near Disney is a lovely property in a great location for accessing the best of what Orlando has to offer. The townhouse itself is well decorated with a modern kitchen and our party of two adults and two small children were very comfortable. The pool complex was a treat and well used by our three year old. We found the owners very professional to deal with both prior to our booking providing us with detailed answers to questions and subsequent questions we raised post booking. We look forward to returning once we have recovered.

house is very spacious and well equipped. It was lovely having so much space to relax after busy days in the park. We made good use of the laundry facilities and were pleased to not be faced with the usual pile of dirty washing on our arrival home. The house is within walking distance of a number of restaurants and all the activities of Old Town. The pool on site is lovely and we often had it to ourselves despite it being August. We definitely would recommend the property to anyone visiting the area.

Keith and Bev, Gateshead, UK (August 2010 rated 10/10)

Great villa with very close proximity to all theme parks. The Old Town was two seconds away which provided good entertainment. The villa was beautiful and extremely clean. The pool was a godsend after a hot day touring the parks. Due to the villa being close by we could nip home to the pool in the afternoon after being at the park for a quick dip. All before heading back out again. Would stay in this villa again and would recommend it to others.

Chris, Burntisland, UK (July 2010 rated 8/10)

The townhouse was lovely, it was in a great central location with easy access to all the attractions, golf courses and shopping malls. Also having Old Town around the corner gave you the option not to drive on some evenings for a change. The rooms were spacious and comfortable and it was very clean and modern, it was like home from home but with better weather! The information and contact I received from the owners was superb, they were very prompt in getting back to us and were extremely helpful. There is a lot of care taken in looking after the home but also the guests using it. We would have no hesitation in staying at the townhouse again and would recommend this to anyone.

Deb, Redcar, UK (June 2010 rated 10/10)

This townhouse was beautiful and cozy. We immediately felt like we were at home. The beds were very comfortable and the house seemed to be very well kept and clean. It was a great location to all the parks and nearby restaurants.

The owners gave great detailed information about the house and nearby attractions. Contact with the owners were great. If I had a question, he immediately got back to me with an answer. He made payment and check in/out very easy. (A lot better than a hotel) All we had to do is drive up to the house, punch in our code and go in! Owners were very prompt on return of security deposit. The day after we returned home, he had already refunded it.

Great price and great location. I would definitely recommend this to anyone, much better than staying in a hotel!

Dawn, Pikeville, NC, USA (May 2010 rated 8/10)

I would not hesitate to recommend this holiday home to anyone wishing to visit Orlando. The home has every modern convenience required. It is also beautifully kept and furnished, we were amazed at the size of the bathrooms. Driving distance to the Disney parks was around 10 minutes if you left early in the morning. The local Publix supermarket and several restaurants were within 10 minutes walk, as was the Old Town which had themed nights each week-end. We loved lazing by the pool in the afternoon and really enjoyed cooling off in the lazy river. We also saw several deer and an assortment of wildlife. It was an absolute joy to come home to at the end of a busy day at the parks. The owners kept in touch at all times and were extremely helpful with all local knowledge. I would not hesitate to return to this home in the future.

Anne, Rugby, UK (April 2010 rated 9/10)

The townhouse is perfect for a holiday near Disney. It is within walking distance of Old Town, Kissimmee and a reasonable drive to Disney theme parks and Universal Studios. It is also a short drive to Celebration which is a lovely neighbourhood with lovely houses, shops and a lake. The house itself is very clean and very well laid out. There were six of us staying and we all felt that we had plenty of space and there being three good bathrooms was absolutely great. We all said (that's five adults and one child) that we would definitely stay there again and would recommend this house for a comfortable and secure holiday in Florida.

Graham, Riseley, UK (February 2010 rated 9/10)

Overall we have enjoyed the stay in the house. The house is ideal for a small family or 2 small families. The location is safe and accessible to everything Orlando has to offer. For families with small kids, the Old Town fairground is a bonus as it is only a walking distance from the house.

Pleasantly surprised by how spacious the house was. The area was lovely and quiet even though it was only a stones throw from Old Town. Easy to keep clean even though we had three young children with us. Would recommend this house to anyone.

The townhouse is perfect in all ways. Would recommend to any family and friends. Great location, ideal safe surroundings. No need to drive every night. Master bedroom with balcony a welcome surprise. Great laundry facilities. New comfortable furniture and beds very comfortable. Sorry but no downside to this townhouse. As for the owners they were always available via email or phone with lots of guidance and help.

Helen, Larkhall, UK (January 2010 rated 9/10)

Close to all things. Really nice kitchen if you want to cook and save money. Old Town is very close but not noisy and if you want to go to the car shows you could walk. Even though on vacation wi-fi was important – we had both laptops running with no problems.

Ted, Saint Johns, MI, USA (January 2010 rated 8/10)

The house was spotless, very comfortable and well equipped. The information given by the owners was simply first class and they are obviously well organised and eager to ensure their guests have a stress free stay in their house. I would not hesitate to recommend to anyone to deal with these owners and stay in this property. The value for money was excellent.

Unfortunately the weather was mixed during our stay (January) so we did not use the pool facilities but they looked very good.

Sara, Scarborough, UK (January 2010 rated 9/10)

Staying at the townhouse at Regal Oaks helped make a great holiday even better. The standard of cleanliness and fittings was exceptional. The location of the townhouse is second to none for access to the Disney parks, I4 and International Drive and a whole host of restaurants and bars. With the added bonus of internet access and excellent safety features I cannot recommend too highly a stay in this lovely townhouse.

The property is very well located for all the Disney parks and only 15 minutes from the Universal parks. There is a huge selection of restaurants within walking distance. The house was very clean and tidy with modern furniture. The bedrooms were spacious as well as the en-suites. The kitchen was adequately equipped with a supermarket close by. The communal was large and enticing when the sun shone and great for kids if the water features were on.

Karen, Southampton, UK (October 2009 rated 4/5)

We arrived at this property to find it exactly the way it had been described. The whole property was spotlessly clean, well furnished, convenient facilities with a really central location. The old town being only a stroll away is brilliant in a country where you nearly always have to drive. The swimming pool though we only used it twice during our stay was excellent, even when there is a few families there is plenty of room. All in all this was an excellent choice for the 6 of us who stayed there and we were all very pleased with all aspects of this property and would happily recommend it to anybody who was looking for somewhere to stay near the theme parks.

Jan, Glasgow, UK (May 2009 rated 5/5)

We found the accommodation to be in immaculate condition and had everything we could have wished. The location was excellent.

Carl, Dudley, UK (May 2009 rated 10/10)

The house is conveniently located for all the theme parks and for the restaurants and supermarket on Hwy 192. It was nice to be able to walk to Old Town. The house is very well equipped and comfortable and the pool complex fabulous. The children loved the slide, lazy river and mum loved the hot tub! It was also nice to chill out there between the frantic pace of visiting theme parks. We had a memorable family holiday and would definitely recommend it to anyone visiting the area.

The house itself is very clean and comfortable and is in a quiet, well maintained estate. The owners are friendly and helpful and the whole booking process was very easy. The pool wasn't finished when we stayed but it looks as though it is going to be lovely when it is and not too far from the house too. I will stay here again on my next visit to Orlando.
